

QEP Certification

Certain Commodity Trading Advisor (CTA) programs are available to qualified eligible persons (including Non-United States persons) as defined by CFTC Regulation 4.7 (QEPs). By signing this certification, you certify that you are a Qualified Eligible Person

A Qualified Eligible Person must meet the following two requirements:

First, the investor must be an accredited investor. The most common ways for this are to either have a net worth of \$1,000,000 or more OR an annual income of \$200,000 or more for the last two years OR, combined with a spouse, \$300,000 per year for two years.

Second, the investor must meet an additional portfolio requirement, which is having \$2,000,000 in securities holdings OR \$200,000 in margin on deposit with a Futures Commission Merchant OR a combination of the two (for example, \$1,000,000 in securities and \$100,000 in margin).

I do hereby certify that I am a Qualified Eligible Person.
